Constitution provision	Maximum Holding determined by the Board
Maximum Holding determined by the Board under clause 8.1;	No Maximum Holding has been determined by the Board.

Constitution provision	Policies applying to the issue of Shares
Policies applying to the issue of Shares determined by the Board under clause 9.9.	<p>The following are the criteria against which applications for a shareholding will be considered by the Board. This process is designed to ensure that growers / entities that become shareholders support the direction and needs of the co-operative.</p> <ol style="list-style-type: none"> 1. No Producer is entitled to become a shareholder by virtue of the fact that they are a Producer. 2. The Producer must currently supply, or be projected to supply, MG in excess of \$100,000 of Produce per annum. The value of the sales is determined excluding GST and hire equipment (crates and bins etc) and measured on a period of 12 months ending on a date determined by MG for the purpose for which the determination is made (normally being MG's financial year). Exceptions may be made for key niche growers (be it seasonal, transitional between regions etc), those required to ensure MG's continuous supply requirements, and those that mitigate MG's supply risk (be it by product, region, season, etc). 3. The Producer must be NZ GAP programme approved or have an equivalent certification. 4. The Producer must, or be prepared to, participate in / utilise the TAG quality grading system.
